JOINT ACKNOWLEDGMENT

THE STATE OF TEXAS,
COUNTY OF MONTGOMERY

BEFORE ME, the undersigned, a Notary Public in and for said County and State, on this day personally appeared

CLAUDE F. CREAMER and HAZEL CREAMER, his wife, both

known to me to be the persons whose names are subscribed to the foregoing instrument, and acknowledged to me that

they each executed the same for the purposes and consideration therein expressed, and the said

HAZEL CREAMER, wife of the said CLAUDE F. CREAMER

having been examined by me privily and apart from her husband, and having the same fully explained to her, she, the

HAZEL CREAMER acknowledged such instrument to be her act and deed, and she

declared that she had willingly signed the same for the purposes and consideration therein expressed, and that she did not

wish to retract it.

GIVEN UNDER MY HAND AND SEAL OF OFFICE this 19th day of October A. D. 1964

THE STATE OF TEXAS:

COUNTY OF MONTGOMERY:

WHEREAS, Tall Timbers, Inc. and Jo E. Shaw, Jr., Trustee, hereinafter called "Developer", are the record owners of all the lots, tracts and parcels of land shown upon that certain map or plat of a subdivision known and designated as Tall Timbers, Section One, a Subdivision in Montgomery County, Texas, according to the map or plat of such subdivision filed for record in the Office of the County Clerk of Montgomery County, Texas, on the 16th day of September, 1964, under County Clerk's File No. 170475, reference to which map or plat and the record thereof is hereby made for all purposes:

NOW THEREFORE, Tall Timbers, Inc. and Jo E. Shaw, Jr., Trustee, do hereby dedicate said property in accordance with the dedication appearing upon said map and agree that the land shown to be subdivided into numbered lots according to said map is held and shall hereafter be conveyed subject to the covenants, conditions, stipulations and restrictions, as hereinafter set forth.

For the purpose of creating and carrying out a uniform plan for the improvements and sale of said property in said subdivision, as a restricted subdivision, the following restrictions upon the use of said property are hereby established and adopted, and shall be made a part by appropriate reference to this instrument, of each and every contract, deed and lease by Developer covering the numbered lots set forth on said map, and same shall be considered a part of each such contract, deed and lease, as though fully incorporated therein.

And the restrictions hereinafter set forth, except as herein otherwise provided shall be and are hereby imposed upon each numbered lot in said subdivision, as shown by said map and as referred to herein, and same shall constitute covenants running with the land and shall be binding upon and shall inure to the benefit of Developer, his heirs, executors, successors and assigns, and all subsequent purchasers of said property, their heirs, executors, administrators, successors and assigns, and each such party, by virtue of accepting a contract, deed or lease covering said property, shall be subject to and bound by such restrictions, covenants and conditions as hereinafter set forth.

1. These covenants are to run with the land and shall be binding upon all the parties and all persons claiming under them until June 1, 1989, at which time said covenants shall be automatically extended for successive periods of Ten (10) years; provided that a majority of the then owners of the tracts may amend, change or otherwise remove these covenants and restrictions in whole or in part at any time by signing and filing for record an instrument evidencing such action. If the parties hereto, or any of them, or their heirs, successors and assigns shall violate or attempt to violate any of the covenants herein it shall be lawful for the Developer, their successors or assigns to enter and abate such violation without liability, or their successors or assigns, and any other persons owning any real property situated in said subdivision shall have the right to prosecute any proceeding at law or equity against the person or persons violating or attempting to violate such restrictions, and either to prevent them from doing, or to cause to be removed such violation, or to recover damages for such violation.

2. The violation of any restriction or covenant herein shall not operate to invalidate any mortgage, deed of trust, or other lien acquired and held in good faith against said property or any part thereof, but such liens may be enforced against any and all property covered thereby, subject nevertheless to the restrictions herein.

3. If any one of such restrictions shall be held to be

invalid, or for any reason is not enforced, none of the others shall be affected or impaired thereby, but shall remain in full force and effect.

4. No building shall be erected, placed or altered on any building tract in this subdivision until the plans, specifications and plot plan showing the location of such building has been approved in writing as to conformity and harmony of external design with existing structures in the subdivision, and as to location with respect to topography and finished ground elevation by a majority of the Architectural Committee composed of Lewis R. Tyra, W. M. Schmuck and Joe F. Wheat, or by a representative designated by a majority of the members of the said committee. In the event of death or resignation of any member of said Committee, the remaining member or members shall have full authority to appoint a successor or successors with full authority. The Committee's approval or disapproval as required in these covenants shall be in writing. In the event the Committee, or the designated representative, fail to approve or disapprove within thirty (30) days after Plans and Specifications have been submitted to it, such approval will not be required and this covenant shall be deemed to have been complied with. Neither the members of such Committee nor its designated representatives shall be entitled to any compensation for services performed pursuant to this covenant.

5. No outside privies or toilets shall be permitted in this subdivision. All toilets shall be inside the houses and prior to occupancy the same shall be connected to a sewage disposal system or a septic tank at the expense of the person building on the building tract, and such septic tank shall have a field line and shall be constructed and maintained in accordance with the requirements of the

State Health Officer of Montgomery County, Texas or other governmental authority having jurisdiction, and shall be subject to the inspection and approval of such authorities.

6. No lot or tract shall be used except for residential purposes, except that Lot 2 in Block 8, Lot 9 in Block 9, all Lots in Block 11 and Block 12 and the reserved area may be used for any legal purpose. The term "residential purposes", as used herein shall be held and construed to exclude hospitals, clinics, duplex houses, apartment houses, boarding houses, hotels and to exclude all commercial and professional uses whether from homes or otherwise, and all such uses of said property are hereby expressly prohibited. No building shall be erected, altered, placed or permitted to remain on any residence tract other than one single family dwelling not to exceed two stories in height and a private garage for not more than two cars.

7. No improvements shall be located on any tract nearer than twenty-five (25) feet to the front line, nor nearer than ten (10) feet to any side street line, nor nearer than twenty (20) feet from the rear lot line, except that a detached garage may be located within five (5) feet from the rear lot line, nor nearer than five (5) feet from any side line, except that these building lines shall not apply to Lots 3 and 6 in Block 11, Lot 10 in Block 9, Lots 8 and 11 in Block 4, Lots 1 and 3 in Block 5 and Lot 6 in Block 2. In the event improvements are constructed on more than one platted lot, then the outer property lines shall be considered the side lot lines and the inside lot lines shall thereafter be considered abandoned and of no effect. The word "improvement" shall include galleries, porches, portecocheres and every other pertinent part of the improvements, except a parapet wall, steps or the extension of the eaves of a roof.

8. No fence or hedge shall be erected or maintained on the property of this subdivision which shall unreasonably restrict or block the view from an adjoining lot or which shall materially impair the continuity of the general landscaping plan of the subdivision; and no fence shall be constructed on any lot or tract without written permission from the Architectural Committee.

9. No noxious or offensive activity shall be carried on upon any lot or tract or shall anything be done thereon which may be an annoyance or nuisance to the neighborhood.

10. No structure of a temporary character, trailer, basement, shack, garage, barn or other outbuilding shall be used on any lot or tract at any time as a residence either temporarily or permanently. No trailer house or covered trailer shall at any time be erected or placed on any lot or tract for any purposes whatsoever. No building shall be moved onto any lot, but shall be erected to conform to requirements set out herein, unless approved in advance by the Architectural Committee. No boat trailer or utility trailer of any type, or broken down automobiles or trucks of any type, may be stored on any lot unless it is stored in the rear yard of the house occupying the lot.

11. No residential structure shall be placed on a residential lot or tract unless its living area has a minimum of six hundred (600) square feet of floor area excluding open or screened-in porches, carports and garages.

12. No animals, livestock, swine or poultry of any kind shall be raised, bred or kept on any residential lot or tract, except that two (2) dogs, two (2) cats or other household pets not to exceed two (2) in number may be kept, provided they are not kept, bred or

maintained for any commercial purposes; two (2) horses may be kept on a tract of not less than fifteen thousand (15,000) square feet, provided they are not kept for commercial purposes and are staked, fenced or otherwise retained. In no event shall horses be kept within one hundred (100) feet from any adjoining residence or improvement unless prior approval is obtained from the owner of such adjoining residence.

13. No sign of any kind shall be displayed to the public view except one sign of not more than five (5) square feet, advertising the property for sale, or rent, or signs used by the builders to advertise the property during the construction and sales period.

14. No lot or tract shall be used or maintained as a dumping ground for rubbish, trash, garbage or other wastes. Garbage and waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition.

15. All residences shall be completed within six (6) months from date of beginning construction unless such period is extended in writing by Architectural Committee. Exteriors must be completed within ninety (90) days.

16. All driveways shall connect to roads over culvert pipe of ample size to permit adequate flow of water through the road ditches or if a bridge is used it shall be of sufficient height to permit free flow of water under it. These bridges or culvert pipes shall be approved by the Architectural Control Committee prior to installation.

17. There is hereby imposed upon each lot in this subdivision and each such lot is hereby subjected to a monthly mainte-

nance charge of \$.03 per front foot per month, with a minimum of \$1.50 per month per lot and a maximum of \$6.00 per month for two or more adjoining lots per month, for the purpose of creating a fund to be known as the Tall Timbers Fund, and, except as hereinafter stated, such maintenance charge shall be paid by each lot owner to Developer, as the custodian and administrator, in advance on the first day of each month, except, however, that the foregoing charge shall not apply to Developer as owner of or holder of title to any such lots, and such maintenance charge shall apply and begin to accrue against such lots only as and when the same are sold or leased by Developer and except further that the foregoing maintenance charge provisions shall not apply to any lot or lots purchased by any person, firm, or corporation primarily engaged in the building and construction business for the purpose of constructing improvements on and thereafter selling the same, but upon any sale of any such lot by such builder or upon the occupancy of any such lot, whether sold or not, then such maintenance charge shall become effective and accrue against such lot or lots. It is further provided that any transfer of title to any lots by Developer to any person, firm or corporation succeeding him as "Developer" or as "Trustee" or any transfer of title by Developer, as Trustee, to his principals, shall not be deemed a sale of any such lots for the purpose of the foregoing provisions and shall not cause the foregoing maintenance charge to attach to such lots so transferred. It is further provided that Developer shall have the right at any time to adjust, alter or waive such maintenance charge from year to year as in his judgment the maintenance needs of the various sections of Tall Timbers may require; moreover, Developer shall have the right at any time to discontinue and abandon such maintenance charge, without incurring liability to any person whomsoever, by filing a written instrument in the Office of the County Clerk of Montgomery County, Texas, declaring such discontinuance and abandonment.

Developer or its assigns shall act as the custodian and administrator of said maintenance fund, and it shall have the right to collect, hold and expend any and all monies paid or to be paid into said Maintenance Fund to carry out the provisions hereof. Developer shall not be liable or responsible to any person or persons whomsoever for failure or inability to collect such maintenance charge or any part thereof from any person or persons and Developer shall not be accountable to any person for such fund.

All funds collected from said maintenance charge from the various sections of Tall Timbers, now or hereafter platted, may be pooled, merged and combined into a single maintenance fund, to be expended by Developer for the general common good and benefit of the various sections of Tall Timbers paying into such fund, without regard to the amount collected from each section. Developer may use such funds or any part thereof, as far as the same will go, towards safety and/or health projects; for improving and maintaining the streets, roads, lanes and drives in any of the sections of Tall Timbers; club house, swimming pool, picnic grounds and/or other recreational facilities; for providing various services to the owners and/or occupants of lots in the various sections of Tall Timbers, and in general for any and all purposes which Developer may consider to be a general benefit or useful to the owners and/or occupants of the lots in the various sections of Tall Timbers, it being agreed and understood that the judgment of the Developer, or his successor or assigns as custodian and administrator of said Maintenance Fund, when used in good faith in the expenditure of said funds or any part thereof shall be binding, final and conclusive on all parties at interest. Developer shall not be entitled to any compensation for acting as custodian and administrator of said "Maintenance Fund".

The above maintenance charge provisions shall be in effect for the duration of the restrictions, covenants and conditions imposed by this instrument and such duration shall be governed by the provisions contained in paragraph 1, above.

The payment of the maintenance charge hereby imposed shall be secured by a vendor's lien which is hereby retained and imposed against and upon each and every lot in this subdivision which is subject to such charge; but such lien shall be inferior and subordinate to any bona fide construction loan to provide improvements on any lot or tract and to all extensions and renewals thereof, provided that said vendor's lien shall reattach as against any subsequent purchaser subject only to any vendor's lien retained in the deed to him.

18. This instrument of dedication and the restrictions and covenants on said subdivision map shall not affect any areas described therein as "Reserve".

19. No firearms of any nature or description shall be displayed or allowed outside of the residence or improvement of any lot or tract.

20. Developer reserves the right and privilege to make minor changes and additions for dedication of easements for the purpose of more efficiently and economically installing improvements.

The undersigned, Reagan State Bank, a banking corporation, holder of record indebtedness against the above described property,

-9-

here now by the execution of this instrument, subordinates such indebtedness to the restrictions above set out, and gives consent to the restricting of such property in the manner aforesaid.

EXECUTED this the 15th day of October, 1964.
